Dear Dr Kader,

Thank you for inviting me to the Jamal Mohamed Alumni Association – Singapore Branch Event, last night.

It was a smooth and satisfying occasion. The Speaker, Professor Manjoor, was great. He took an ordinary subject about his students and turned it into an extraordinarily humorous talk.

The Guest of Honour, Mr Murali Pillai, MP for Bukit Batok SMC, was his usual, personable self.

An inspired choice in honouring Dr. T. C. Chandroo.

All other parts of the program; especially the presentation by the ladies group, M. Shanthini, Inbha, Prema Mahalingam, Banu Suresh, Vijayalakshmi and Tamilchelvi, were innovative.

Sneha Murali, who sang the Opening Song had a melodious voice.

Heartiest Congratulations.
