Dear Dr Kader

Letter of Appreciation – Donation of 5 Wheel Chairs to Sree Narayana Mission (Singapore)

On behalf of the Executive Committee and Management of Sree Narayana Mission (Singapore), I would like to express our sincere appreciation to you and the members of Jamal Mohammed College Alumni Association (Singapore Chapter) for your kind donation of 5 wheelchairs to the residents of Sree Narayana Mission Nursing Home on 10 June 2017.

The Association, with more than 300 members under its wing, has wholeheartedly embraced the Singaporean way of life and in particular its national values - specifically, the values enshrined in its pledge, "regardless of race, language or religion". This ability to integrate so seamlessly into the community stands as testimony to the value and ideals imparted to the alumni by the college.

The Association's belief in serving all communities in the nation regardless of race, language or religion runs parallel with the Singaporean belief of a fair, just and racially harmonious society. Over the years, the Association has worked with various community organisations to help the less privileged, and has shown its commitment to helping Singapore prosper in the next 50 years.

Events such as the Iftar celebrations, which your organization arranged for various ethnic groups in the community, present a perfect example of activities that boost the social and racial harmony within Singapore.

Once again, we thank you for your kind support and look forward to working with you in future endeavours.

Best Wishes

S. Devendran
